The Sacred Heart and the Beauty of Sacred Rest

As we step into the month of June, the Church invites us to enter more deeply into devotion to the Sacred Heart of Jesus a symbol of Christ's boundless love, mercy, and compassion for each soul. It is a reminder that even in sorrow, we are held in the warmth of His heart, pierced but still beating with love for us.

Here at Gate of Heaven Cemetery, this devotion takes on a quiet, profound meaning. Walking among the gardens and monuments, under the soft sway of trees and the bloom of early summer, we are reminded that this is not just a resting place—it is a place of love, promise, hope and prayer. Each name etched in markers represents a soul who was and is still deeply loved by Christ.

The Sacred Heart calls us to remember the eternal bond between Heaven and Earth. Just as the heart of Christ was broken open for us, so too are we called to offer prayers for those who have gone before us—especially those who may be waiting in purgatory, longing for the fullness of Heaven.

We invite you this month to visit Gate of Heaven not only as a place of memory, but as a sanctuary of hope and prayer. Come walk, pray, and reflect. Bring a flower, whisper a name. Let your heart rest in His, and offer comfort through the Spiritual Works of Mercy.

May the Sacred Heart of Jesus enfold our loved ones, and each of us, in His endless mercy and peace.

"Sacred Heart of Jesus, have mercy on us."
